

Simmons College of Kentucky (SCKY) 2020-2021 Verification Worksheet

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you (if independent) or you and your parents (if dependent) reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You (if independent) or you and at least one parent (if dependent) must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at SCKY. SCKY may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

What to do:

- ❖ If you did not use the IRS Data Retrieval Tool (DRT) to complete your FAFSA, Request a 2018 IRS tax return transcript for yourself (if taxes filed for 2018), your parent(s) (if dependent and if parent(s) filed taxes for 2018) and your spouse (if married). See instructions (separate document) on how to request a 2018 IRS tax return transcript.
- ❖ Independent students, spouse, and parent(s) who DID NOT file IRS Tax Return will need to request a Verification of Non-Filing Status Letter from the IRS.
- ❖ All parties involved must complete and sign this form.
Leave no spaces blank.
- ❖ Submit completed form and all attached documents (if any) to the SCKY Financial Aid office.
You will receive a Verification Review Status letter upon completion of this process.

A. Student's Information

Student's Last Name First Name M.I.

Student's Identification (ID) Number

Student's Street Address (include apartment number)

Student's Date of Birth

City State Zip Code

Student's Email Address
